No-Service doesn't have to mean No Goodbye

At Bowra & O'Dea we respect your choice to arrange a No-Service Funeral at this time, whatever the reason.

As professional Funeral Directors we strongly believe in the value of a meaningful funeral service, something which Bowra and O'Dea have provided for 130 years. Some benefits of a service are expressed here by grief counsellor Dr. Alan Wolfelt,

“...the funeral ceremony helps us acknowledge the reality of the death, gives testimony to the life of the deceased, encourages the expression of grief in a way consistent with the culture’s values, provides support to mourners, allows for the embracing of faith and beliefs about life and death, and offers continuity and hope for the living.”

The absence of a funeral service may leave a family member or friend in a difficult space where they can neither move forward with their life nor go back and reconcile their loss. A funeral service provides people an opportunity to connect and support each other.

With this in mind, we provide Memorial Service options at our beautiful chapels, to enable you, your family and friends to gather and acknowledge your loss, share stories and show a photo presentation if you wish. Memorial Service options tailored to suit you may be discussed at a later time.
